

## To Whom It May Concern,

This is to certify that I, the undersigned, have thoroughly reviewed and verified that all the required documents related to the project titled:

**" Recruit Right: Precision Hiring with AI Insight"**

have been successfully uploaded to the designated GitHub repository.

- **GitHub Repository URL:** <https://github.com/Recruit-Right.git>
- **Team/Student Name(s):** Muhd. Naeemuddin, Muhd. Abdullah, Muhd. Raza
- **Department:** Department of Computing, FEST
- **Institution:** Hamdard University

The uploaded materials include (but are not limited to):

- Project source code
- Project report/documentation (Proposal/SRS/SDS/Report/Test Plan)
- Presentation slides
- Dataset(s) (if applicable)
- Poster/Video of Demo
- Any supporting files as required by the submission guidelines

I confirm that the submission complies with the documentation requirements outlined for this project/course and is accessible on the mentioned repository.

This certificate is issued for record-keeping and official use as part of the project evaluation or academic requirements.

---

**Supervisor Name:** Dr. Umer Farooq

**Designation:** Associate Professor

**Signature (Compulsory):**

A handwritten signature in black ink, enclosed in a blue rectangular border. The signature appears to be 'Umer Farooq' written in a stylized, cursive manner.

**Date:** 06/07/2025
